Annual Sponsorship Agreement

KAMPiNA, the Korean Association of Medical Physicists in North America (www.kampina.org), is dedicated to fostering collaboration, knowledge exchange, and professional development among its members. Founded in 2002, our mission is to facilitate the following objectives:

- Facilitate the exchange of interests, resources, and information amongst our members.
- Provide comprehensive training for students in medical physics and related disciplines.
- Drive the development of innovative technologies within the field.
- Disseminate technical knowledge in medical physics and associated domains.
- Foster strong professional relationships between our members and physicists worldwide.
- Encourage collaborative research endeavors in diagnostic and therapeutic medical physics and related fields.

KAMPiNA boasts over 120 active members. We hold annual meetings during the AAPM (American Association of Physicists in Medicine) annual meetings. We thank you for agreeing to be a sponsor of our growing organization.
